Pursuant to a review of the initial Report rendered by the Pretrial Services Office, under date of April 1, 2015, as well as a review of the transcript of the April 1, 2015, detention hearing and, further, noting that the Government has no objections, the Defendant's Motion for Reconsideration, Review and Revocation of Magistrate Judge's Order of Detention (Doc. #19), is sustained.

1. Report to the U.S. Pretrial Services Officer on a schedule determined by the officer.
2. Remain in the Southern District of Ohio

5. Refrain from excessive use of alcohol.
6. Do not use or unlawfully possess a narcotic drug or other controlled substance unless it is prescribed by a licensed medical practitioner.
7. Submit to testing for a prohibited substance if required by the pretrial services office or the supervising officer. Testing may be used with random frequency and may include urine testing, the wearing of a sweat patch, a remote alcohol testing system, and/or any form of prohibited substance screening or testing. The Defendant must not obstruct, attempt to obstruct, or tamper, in any fashion, with the efficiency and accuracy of any prohibited substance screening or testing.
8. Participate in a home confinement (Home Incarceration) program with location monitoring (RF Frequency) under the guidance of the Pretrial Services Officer. If employed, defendant shall incur the cost of the electronic monitoring equipment (required).
